

For NH929 Arrival Passengers

Updated Date
March 29

Thank you for your continued and loyal support of ANA.

Before departure, please refer to the required items about your entry of Hangzhou Xiaoshan Airport as below.

◆PREPARATION

「the Green Health Code with an "HDC" mark」and「the China Customs Health Declaration Form」are necessary when you entry China. Please make sure that you have completed your declaration before ckin-in at Narita Airport. Otherwise your entry will be refused or cost long time when arrival. For more details, please refer to [ANA's Homepage](#)(※Passengers Traveling Internationally from Japan⇒China).

Passengers arrival at Hangzhou Airport are required to submit declaration of 「the Hangzhou City Government Code」by web in addition to the above. Please save the completion screen(QR code) before departure for inspection.

Also, you are required to fill in「the Informed Consent for Sampling」which is provided in cabin, and please submit it according to the quarantine officers' instructions.

◆Hangzhou City Government Code「Attachment①」

◆Informed Consent for Sampling 「Attachment②」

◆Health declaration QR code 「Attachment③」

◆The notices of Hangzhou Xiaoshan International Airport

All passengers entering from Hangzhou Xiaoshan International Airport will undergo the nucleic acid testing and strictly implement the closed-loop management measures of [14days centralized isolation medical observation + 7days home health quarantine + 7days daily health monitoring. (Abbreviation[14+7+7])

The cost of accommodation, meals, etc. incurred during the isolation period will be borne by the passenger ownself. Please know in advance.

*Due to the epidemic prevention policy, passengers' baggage will pass the disinfection procedure and your baggage may get wet. Please well pack it if you mind.

sorry for any inconveniences .Thank you again for your understanding and cooperation.
